Glad tidings to our Muslim nation: The Muslim Africa blog

At the time when our Muslim nation is fighting a liberation battle against the Zionist Crusade arrogance ... and at the time when France is waging a crusade war against Muslim Mali we bear the glad tiding of opening **(Muslim Africa blog)** [which] carries the worries of that injured member of our nation and fights for its fair cases ...

It's an open platform for every Muslim who is jealous for his religion and his nation and every free person who refuses injustice and the arrogance and injustice of the Zionist Crusader West and its injustice against weak nations and tries to change the corrupt reality of this world

The blog of Muslim Africa .. calls for the people of Islam in all Africa to go back to their true belonging which Allah accepted for them: **"This day, I have perfected your religion for you, completed My Favour upon you, and have chosen for you Islam as your religion "** (Maeda, 3), and which the apostate occupation attempted to derail them from for ages.

Muslim Africa blog .. a platform for liberation of oppression .. liberation of all [types of] worship but that of Allah alone, and liberation from all methodologies and creeds but through the method of Allah swt and His prophet peace and prayers be upon him .. and liberation of all belongings to old jahilia which is based upon nationalism and racism, and pit of hated nationalism that the occupation has thrown us in, to differentiate between the [sons of] the single nation whose religion is one and to melt in the concept of one nation as Allah ordered: **"Truly! This, your Ummah (Islamic Monotheism) is one religion, and I am your Lord, therefore worship Me (Alone)"** (AlAnbia, 92).

Muslim Africa blog .. a post calling people of Islam in all Africa, to cooperate and put hand in hand and give victory to each other as Allah ordered: **"And the believers, men and women, are supporters one of another"** (Tawba, 72), and as His prophet peace and prayers be upon him said: **"A believer is like a brick for another believer, the one supporting the other"**.

Muslim Africa blog .. gives support and cooperation to the cause of the Muslim nation generally and African [nation] in particular, a victory with all types, (hand, tongue, and pen..) and giving victory for fair causes
